Dataiku Call me Certifiable

February 2020

Getting Level 1 Certified

2-Step Process

- Online Quiz
 - 45 min for 50 questions
- Online competition (Kaggle based)
 - Using the Dataiku Machine Learning Platform features

Register to become Certified

And gaining credit

- Simply register to get get certified at the following URL
<https://www.dataiku.com/learn/online-certification/>
- Take a screenshot confirming your registration and/or forward an email of your registration to your professor to gain the credit!

Preparing

Before taking the certification

- Download a free edition of the software for local use (or use a hosted trial)
<https://www.dataiku.com/product/get-started/>
- Before taking the certification, review the material on the e-learning platform
<http://dataiku.teachable.com/courses>
 - A detailed overview of the platform's architecture and value proposition
 - Increasingly complex use cases to be completed in DSS
 - Other useful links (PRO TIP: Use these materials during your certification exam).

Learning

- Details and resources for learning and getting certified
<https://www.dataiku.com/learn/>
- Official Product Docs
<https://doc.dataiku.com/dss/latest/>

**Thanks and Enjoy
the Journey!**
